M-CARTON-TROLLEY

CARTON TROLLEY

Mobile Cartontrolley, load capacity 150 kg

All cardboard packaging is conveniently stored in this trolley.

This mobile Cardboard Warehouse is made for storage of folded cardboard boxes.

You can easily drive this mobile cart control to, for example, a packing table.
Your grab stock at hand!
You create an ergonomic and productive workplace for manual (packing) processes.

2 Betonplex plateaus.
2 ergo handles for easily moving this trolley.

Platform height lower platform 160mm.
Platform height upper platform 1450 mm.

Equipped with 2 fixed castors and 2 swivel castors with brake (Ø125x40mm) with ball bearings.
Rim with a polypropylene core. Blue tire from Performa rubber (65 ° 70 ° Shore A) operating temperatures from -20 ° C to +80 ° C.

Finished with a sustainable, environmentally-friendly gray powder coating (no solvents, so the least harmful to the environment).

Delivered fully assembled.
