

CARPET CARRIER

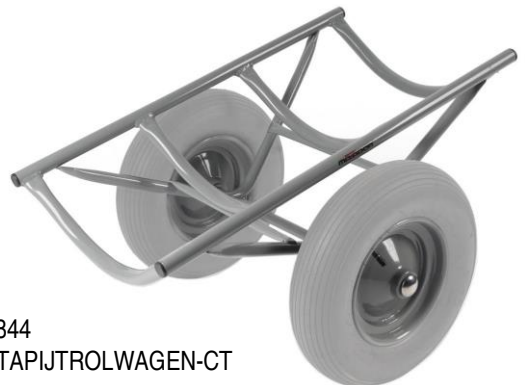

Professional carpet carrier, capacity 250-500 KG

- Very handy and solid carpet trolley suitable for transport of (carpet) rolls and bundles.
- Due to the curved shape of the carrying handle, the rollers and bundles are in place.
- Equipped with large tires. Ø 400mm, steel rim with double closed ball bearings.
- Very manoeuvrable.
- Not lift but push.
- Carrying capacity:
With 2 puncture-free PU tires: 250 Kg.
With 2 pneumatic tires: 500 Kg.
- Finished with a durable Matador gray powder coating (no solvents, so the least harmful to the environment).
- Is packed in box.

- * Highly manoeuvrable.
- * Suitable for the transport of (carpet) rolls and bundles.
- * Durable powder coated in Matador gray.
- * Don't lift but push.
