

Easy-Rider

WHEELBARROW EASY-RIDER

Very strong reinforced construction wheelbarrow with pneumatic tire, capacity 80 Liter

M-135-L4 Easy-Rider is a reinforced construction wheelbarrow with pneumatic tire.

- Stronger - even more ergonomic!
- Less weight at full load.
- Strong rectangular tray (1.2 mm), with tray support.
- Base frame made of oval tube 38x20mm.
- Very strong chassis made of 25 mm round tube.
- Continuous oval tube frame and back under tray.
- Improved balance.
- Steel rim with double closed ball bearings.
- Ergonomic by higher placed handles (610mm), less stoop, easier to lift.
- Barrier-free emptying.
- Ergonomic natural rubber safety handles especially devised to the form of your hand.
- Wear pads to extend the lifetime of the legs.
- Horizontal grip, making the wrist straight and not bent and 4 instead of 2 fingers carry the load.
- Simple and easy to empty because of the lower fronthead.
